

CLUB REPORT

21 February 2020

1. **Members:**

Current member count 148

No significant changes in numbers, but normal 'turnover' of members take place annually

2. **Finances:**

State of finances – Finances are stable and sound.

The Club has stocks of apparel (caps, golf shirts, T-shirts, badges) in the region of R10,000.00 in value and sold at a slim margin (if any) to our members

3. **Club formalities**

The last AGM was held on 23/02/2019

The next AGM is 22nd February 2020

Committee details are available on the Web Site and are mailed to new members as part of the Welcome Letter once the payment has been received. Membership Applications are digital, and are the only item of interest on the Web Site, besides the Event Calendar (which is not interactive).

An active link on the site takes visitors to our Facebook page, where all matters of interest and ride notices are to be found

Communications with members in respect of rides or events are done by WhatsApp broadcast messages, emails and Facebook posts. WhatsApp has been found to be the most effective method of communication with a Club phone using broadcasts to send out information. Any responses are only received by the Club phone and not all members

4. **Club Events:**

- Christmas Ride – Sani Pass Resort. A most enjoyable event in perfect weather
- Breakfast rides are the first and third Sunday of the month. The breakfast ride to a local establishment before the outrides, with breakfast paid by the club for members' partners, has now become a regular event 3-4 times a year. These events have been well supported.
 - Venues included St Cathryn's near Greytown, Terbedore in the Midlands, Old Halliwell, Nottingham Road Hotel. There were dirt and tar rides after the breakfasts

5. **General**

The Clubs' relationships with both dealers is good.

Report prepared by Dennis Harvey, Chairman - BMW Motorrad Club KZN
